

Close friends record music video in yet another tribute

Sara Carreira Association launches its Anthem, an unreleased song performed by the singer

' **Leva-me a Viajar**' is the anthem of **the Sara Carreira Association**, released this Friday, 21 May. ' **Leva-me a Viajar**' is a beautiful song, performed sublimely by the young singer, whose intention was to release it this month.

A music video, which includes the voice of Sara Carreira, was recorded and conveys a heartfelt tribute from friends to the young singer. Recorded in an atmosphere of unity, it had the simplicity of the beach, the blue of the sea and the Serra da Arrábida as its backdrop. For the occasion, Sara's family made a point of joining the group of friends to pay yet another tribute to the singer.

The 21 May was symbolically chosen by the family for the launch of the anthem of **the Sara Carreira Association**, as a direct reference to the singer's age. '**Leva-me a Viajar**' will be available on all digital platforms and radio stations across the country, and the royalties generated by this song will revert in full to the Association, whose main mission is to support children and young people with few resources in making their dreams come true, helping them develop and supporting them throughout their training.

The **Sara Carreira Association** will award **21 scholarships this year**, preceded by an **application phase that started on 2 May and ends on 30 June 2021**. Applications will be evaluated by a panel composed of three members appointed by the Association's Board and the successful scholarship holders will be known in August.

All children and young people can apply through the website www.saracarreira.com if they reside and are attending educational establishments in Portugal, and are at **least 12 years old and no more than 21 years old** on the date of application. Exceptionally, and subject to assessment by the Association's Board, applicants who are of a different age may be admitted.

Continuing Sara Carreira's dreams and honouring her generosity towards others is the reason **the Sara Carreira Association** exists. It aims to sow seeds in talented children and young people in need. In the words of the Carreira family, *'Sara was a young woman who was always present in people's lives. She believed in dreams and fought for them with hard work and dedication. The Association will reflect all that she is and will fulfill the dreams of those most in need'*.

The **Sara Carreira Association** aims to provide a future for children and young people who have talent in any area, but unfortunately are experiencing financial difficulties which mean that they cannot realise their dreams. These are the future applicants that the **Sara Carreira Association** aims to support through scholarships that will allow them to grow, with hard work and resilience, and provide them with the opportunity to overcome, and develop their talent.
