

## THE SARA CARREIRA ASSOCIATION PRESENTS 21 SCHOLARSHIPS IN THE “SEEDS OF THE FUTURE” PROGRAMME.

*Seeds of the Future* tells the story of 21 very talented children and young people, aged between 12 and 21. The 2021 Sara Carreira Association scholarship holders are students living in conditions that did not allow them to pursue their dreams and who now, with the support of the Sara Carreira Association, are able to invest in their education and envision a better future.

As well as the right to a scholarship, each scholarship holder is assigned a godfather or godmother who will accompany every step of this new journey towards realising their talent.

The 21 final scholarship holders went through an exhaustive selection process that included a panel, social workers and the direct family, parents and siblings. Scholarship holders received the news of the Sara Carreira Scholarship in a whole variety of ways.

*Seeds of the Future*, which offers a unique programme guided by hope and aims to become an example for actions like this to multiply in our society, was broadcast last night on SIC and SIC Internacional.

The Sara Carreira Association is also supported by Missão Continente, Altice, Santander and SIC.

### SCHOLARSHIP HOLDERS

These are children and young people with good academic performance or special aptitudes in a given area who face financial difficulties that prevent them from continuing their education.

There are a whole range of study areas available, including: law, dance, social work, music, medicine, architecture, game design, fashion design, business management, education, sport, teaching, engineering, administration and diplomacy.

### GODPARENTS

The godparents are successful professionals who stand out in their professional areas, and their main mission is to guide the scholarship holder in their training, and assess whether it is adequate and enhances the talent of their godchild.

The Sara Carreira Association reflects how Sara lived her life as someone who believed in dreams and fought for them with hard work and dedication. Continuing Sara Carreira's dreams and making her memory last through time are the goals and purpose of this Association. Sowing seeds in talented children was the way the family found to achieve the purpose of the Association.
