Continuing Sara Carreira's dreams and honouring her generosity towards others is the reason **the Sara Carreira Association** exists. It aims to sow seeds in talented children and young people in need. In the words of the Carreira family, 'Sara was a young woman who was always present in people's lives. She believed in dreams and fought for them with hard work and dedication. The Association will reflect all that she is and will fulfill the dreams of those most in need'.

The **Sara Carreira Association** aims to provide a future for children and young people who have talent in any area, but unfortunately are experiencing financial difficulties which mean that they cannot realise their dreams. These are the future applicants that the **Sara Carreira Association** aims to support through scholarships that will allow them to grow, with hard work and resilience, and provide them with the opportunity to overcome, and develop their talent.
