

## **THE SARA CARREIRA ASSOCIATION RAISED € 303,465.54 AT THE “GALA DOS SONHOS.”**

The Sara Carreira Association's Gala dos Sonhos [Gala of Dreams] raised € 303,465.54 in donations on the night of 1 December, in the Main Auditorium of the Belém Cultural Centre. This amount reverts in full to the Association whose objective is to continue Sara's dreams. Once again, the Portuguese showed great appreciation and generosity towards the cause embraced by this association, with the total amount raised coming from telephone donations (value-added calls), together with bank transfers made in Portugal and around the world.

Gala dos Sonhos, broadcast on SIC, was a great evening's entertainment and led viewing figures with more than 1,500,000 viewers.

Tony Carreira, Mickael Carreira and David Carreira took the stage alongside renowned names from the world of Portuguese music and also several public figures, friends, scholarship holders and ambassadors of the Sara Carreira Association who joined the cause.

Fátima Lopes was the host for the evening and throughout the live broadcast we were treated to a great show with several unique musical tributes, plus a link-up to a call centre with various personalities answering viewers' questions. There were also some magical surprises for the audience. Families got together, entrepreneurship was supported and there was a message of hope for young resilient talented workers.

Gala dos Sonhos is a programme devised on behalf of the Sara Carreira Association that honours the generous life of young Sara and fosters talent, resilience and the possibility of a better future for young people who will make a difference in Portugal and perhaps even worldwide.

Gala dos Sonhos embodies a message of hope and an enormous act of love.

The Carreira family would like to thank everyone who was directly or indirectly connected to the Gala dos Sonhos and all those who contributed financially to this cause.
